Values

Accountability because we hold ourselves accountable for achieving the greatest possible impact with the resources entrusted to us. Compassion because we see the suffering caused by hunger and are passionate about eliminating it. Integrity because we are open, honest and transparent, holding ourselves to the highest ethical standards. Collaboration because we believe that we can accomplish more when we work collaboratively to achieve shared goals.

Respect because we embrace a culture of inclusiveness and mutual respect. Accessibility because we want to provide access to healthy food items to contribute to a healthier life and eating habits.

Vision

That no one in our community goes hungry regardless of race, creed, or politics.

Responsibilities
